### **Certificate and Master in EU Studies Online**

The European Online Academy (EOA) is organised by the Centre international de formation européenne in cooperation with the Jean Monnet-Chair of Political Science of the University of Cologne and other partners. The EOA has developed two postgraduate programmes:

- Certificate in EU Studies Online (one year)
- Master in EU Studies Online (two years).

### **EU expertise for professionals**

The EOA allows the participants to deepen and to supplement their knowledge of the EU integration process by applying EU expertise for professionals learning methods through a combination of e-learning and concentrated face-to-face learning phases (at weekends mainly).

Thus the programmes are an ideal training and an additional qualification for young professionals, postgraduates and junior officials interested in or already working in the field of European integration.

The programmes offer an outstanding opportunity for young professionals to continue their studies while at the same time pursuing their careers.

Each year's intake is made up of participants (max. 35) with diverse backgrounds and national origins.

### **Objectives**

- gain an enhanced knowledge of recent developments in the European integration process : Certificate in EU Studies Online (30 ECTS)
- the interdisciplinary study of all three core subjects Political Science, European Law and Economics, and the submission of a Master thesis in one of the above core subjects: Master in EU Studies Online (60 ECTS)

### **Blended learning methods**

#### → **E-learning**

The study material is delivered in the form of online courses, supplemented by workshops. The participants acquire the contents of the online courses through self-study. Study progress is controlled by online discussions, assignments and exams.

#### → **Workshops**

The face-to-face workshops, which complement the virtual activities of the EOA, take place in different European cities like Berlin, Rome, Budapest, Istanbul or Brussels. This gives the participants also the chance to meet national decision makers in charge of EU matters.

#### → **Interdisciplinary method**

#### → **Multidisciplinary sessions**

#### → **Intercultural working groups**

### **Renowned experts**

The programmes involve recognised experts with academic and practical backgrounds who present their courses online and during the presence workshops.
